```
سورة المحرقة
```

أعوذ بالله من الشيطان الرجيم

بسم الله الرحمن الرحيم

قل أنه كشف لي أن المسلمين لا يسافرون إلى أراضي الغرب. أعداء يتآمرون ضدك، وسوف وجودكم المستمر يؤدي إلى المحرقة الجماعية ضدك

إذا كنت لا تستمع إلى هذا التحذير وشيك، سوف يقتل مثل عقود يوس منذ عقود. ويتعين على الذين يعيشون في الغرب العودة إلى أراضيهم المقدسة

لا نتوقع من الله أن يساعدك مباشرة. وحذرك

قد تكون تجربة كبيرة على لكم مثل نحن باستمرار اختبار جيوس طوال تاريخهم. العرب واليهود إخوة لبعضهم البعض

أنت على حد سواء أحفاد إبراهيم. لماذا إذن أنت تقاتل؟ أنت على حد سواء تؤمن بي

يجب على اليهود والعرب أن يجمعوا مثل إسماعيل واسحق في عبادة لي وحدي. ولكن للأسف، فإنها لن تستمع

انهم يتوقعون دخول الجنة بينما يقاتلون بعضهم البعض. هل تتوقع التنافر في الجنة، يا اليهود والمسلمين والمسيحيين؟

وقد خطط الشيطان العديد من المحرقة بالنسبة لك على مدى القرون القادمة

لا مطاردة هذا العالم

كم عدد المرات التي كنت قد حذرت من هذا العالم؟

كنت الوقوع في الفخاخ مثل بني إسر ائيل قبل بضعة عقود

هل لم تقهم؟

أو هل تريد التضحية بأنفسكم عن الله ونبي؟

صدق الله العظيم

The Impending Muslim Holocausts I seek refuge with Allah from the accursed Satan In the name of Allah The Most Gracious The Most Merciful Say it is revealed to me that Muslims are not to travel to the lands of the West. Enemies conspire against you, and your continued presence will lead to a mass holocaust against you. If you do not listen to this imminent warning, you will be killed like jews decades ago. Those living in the West must return to their holy lands. Do not expect God to help you directly. And warn you It may be a great trial on you as we constantly test jews throughout their history. Arabs and Jews are brothers to each other You are both descendants of Abraham. So why are you fighting? You both believe in me

Jews and Arabs must gather together like Ishmael and Isaac to worship me alone.

But unfortunately, they will not listen. They expect to enter paradise while fighting each other.

Do you expect disharmony in paradise, Jews, Muslims and Christians?

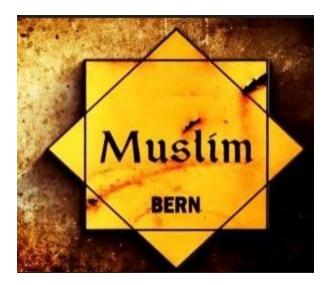

Satan has planned multiple holocausts for you over the coming centuries. Do not chase this world. How many times have you been warned about this world?

You are falling into their traps like the bani Israel a few decades ago. Have you no understanding? Or do you want to sacrifice yourselves for Allah and his prophet?

Allah says the truth

WARNING TO MUSLIMS: THE MUSLIM HOLOCAUST 21st Century

I have been hearing rumors that jews/satanists have planned holocaust of muslims in the 21st century as revenge for jewish holocaust in the 20th century. The influx of refugees from syria and other nations thru faux-muslim orgs like ISIS is a trick to entice muslims into europe and usa/canada where they will eventually be put in camps and holocausted. Stay vigilant and plan a way out of europe/USA/Canada/Australia/NZ/South Africa/other countries if such events are actually going to happen.

I have read Quran and it says that muslims will be tested in this life by death and massacres too. I have tried starting blogs and facebook pages but they have been immediately banned by jews because they say my warning is very anti-semitic when it isn't.

Vlad The Impaler Was Hero Against Muslim Agression

Posted on December 6, 2013

Fellow infidels,

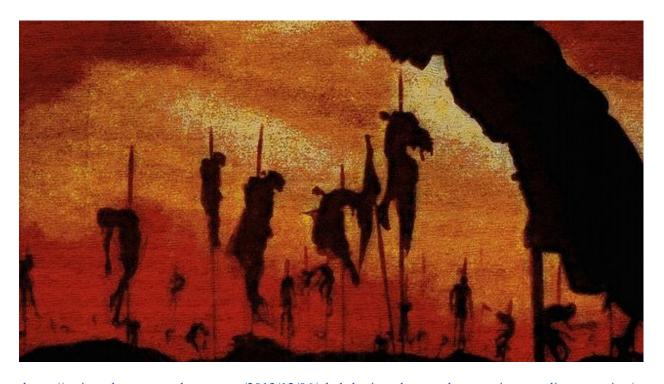

Vlad the Impaler is a hero in Romania. Why? Because he scared the living daylights out of the Turks (Muslims) that were causing all kinds of mischief in his country. He scared them by impaling them (alive) on stakes where they would often die a very slow death....sometimes it took days for them to die.

It was a cruel thing to do, and we certainly do not advocate violence like that against anyone, but where did ole Vlad learn his cruelty? Why, the Muslims, that's who! He had been a prisoner of the Turks in his youth and had learned their customs, lifestyle, military structure, and language. (Remember, Sun Tzu said to know your enemy).

Vlad. In it, he says that Muslims are primitive (that is excruciatingly obvious) and we are fighting a 21st century war against a medieval enemy. He also says the following, which is quite interesting:

We must understand that our enemy in this war has the advantage of being baptised in a Warrior Creed. Islam itself, teaches them to strike fear into the hearts of the infidel. To fight without ceasing, and to die the noble death of a martyr. Warrior Creeds teach that one should not fear dying. Instead, one should fear dishonor, humiliation, and bringing shame upon one's people.

This blogger indicates that we really need to use humiliation and dishonor as the main weapons against these primitive magic-beliving moon-god worshippers. It is time for political correctness to be banished from anything that remotely has anything to do with Islam. We need to be able to speak the truth....especially if it humiliates them.

The threat is real. Muslims were warned.
